**Total Education Solutions Expands LA Region Autism and Special Needs Services
With Family Friendly Clinic in Lynwood**

Lynwood, CA, March 24, 2016—Total Education Solutions (TES), a leading provider of special education services, has opened a fifth California clinic in the city of Lynwood. The new clinic will cater to the Southern Los Angeles region and the surrounding areas and will serve children of all ages and abilities, focusing on individuals with Autism and/or other special needs such as language and motor delays. TES provides clinical resources and support while building relationships with families and the community.

TES has expanded steadily over the years in response to a growing awareness of and need for special education services, with offices and clinics across three states. TES is dedicated to enriching the quality and breadth of services available to children with special needs and their families. This recent expansion into southern Los Angeles will address the needs of the community by continuing to provide individualized, multidisciplinary therapy for which TES is known.

“We are excited to fill the need for individual, dedicated special needs services in this vibrant city. We look forward to establishing relationships in the area and supporting the community,” said Morgan Behny, Program Manager for TES Southern California.

TES’ Clinical Services division offers one-on-one and small group sessions in Speech and Language Therapy, Feeding Therapy, Physical Therapy, Occupational Therapy, Academic Tutoring, Intensive Academic Instruction, and Behavior Support Services. In addition to year-round therapy services, assessments, and screenings, TES will also host Speech and Language, Social Skills, Handwriting, and Tutoring programs over the summer. The company accepts a wide range of insurances and is an approved vendor for regional centers across California.
